Monster High Gore-Geous Ghoul 'Anti-Styling' Head

Monster High fans will be thrilled to the bone to try out all the different looks they can create with the Gore-Geous Ghoul 'Anti-Styling' head. Girls can explore their dark side and experiment with 30 fang-tastic accessories.

Garish and ghoulish, dark and dangerous, scary and powerful – any look is at their fingertips with the fiendish selection of creep-tastic tattoos, bright neon hair extensions, grisly hairpieces, mysterious make-up and beastly accessories.

When the freaky look is complete, it can be displayed it under the laboratory style cover and admired at night time as it glows in the dark! Available now around £29.99rrp.

Barbie Deluxe Styling Head

Girls can release their inner stylists and create the most fabulous looks with the Barbie Deluxe Styling Head. Brush, plait and tie Barbie's luscious soft hair with a selection of 17 hairdressing accessories. Add the stylish pink hair extensions for a glamorous new look and 'cut' them away with the play scissors when restyling next time.

When the hair is perfect, complete the look with colour-changing nails, eyes and lips using only water in the applicators. The Barbie Deluxe Styling Head includes a styling head, four extensions, play scissors, a 'nail polish' bottle, a makeup applicator bowl and brush, a hair clip, three hair slides, four hair ties, a set of nail stickers and three sets of false nails. £29.99rrp
