# Peppa's Interactive Playmat encourages children to have fun while learning. Includes four fun activities.

## How to play

Switch the button of the sound unit to V- (ON, volume low) or V+ (ON, volume high).

Press any of the images to hear random sounds, or one of the four game modes: 123 numbers, Peppa says, sing along, or find?

**123 numbers:**  
Peppa will ask you to find one of the numbers 1-5. Press the puddle with the correct answer.

**Peppa says:**  
Peppa will ask you to press a puddle. Each puddle will play a short message from the characters on the mat.

**Sing along:**  
the mat will automatically start playing one of four songs, and will continue to play until it has played all four, unless a new game is selected.

**Find?:**  
Peppa will ask you to find a particular colour of puddle or a particular character.

## How to change batteries

1. This product requires 3 x AA (LR6) 1.5V batteries.
2. The batteries supplied with the product are for store demonstration purposes only and we recommend that they are replaced after purchase.
3. Use a suitable screwdriver to remove the battery cover located on the rear of the unit.
4. Remove the old batteries. Insert 3 x AA batteries, ensuring the + and - terminals match the markings on the inside of the compartment.
5. Fit the battery compartment cover and tighten the screw to secure (but do not over-tighten).

## Important battery information

Batteries must be inserted or removed by an adult.

Do not mix battery types (for example, alkaline and zinc carbon), or old and new batteries.

Do not attempt to recharge non-rechargeable batteries, as they may leak or explode.

Batteries must be inserted with the correct polarity.

Do not short circuit the supply terminals.

Remove exhausted batteries from the toy.

Remove rechargeable batteries from the toy before charging.

Rechargeable batteries must be charged by an adult.

Use only the recommended battery type or their equivalent.

Do not dispose of batteries in fire, as they may leak or explode.

Remove batteries from the toy if it is not being used for an extended period of time.

The purpose of the crossed-out wheeled bin symbol is to remind us that most electrical product and batteries contain trace elements which could be harmful to our environment and therefore our health. We must all be careful to dispose of them responsibly in a specifically designated way – either using a collection scheme or into the correctly labelled civic amenity (NOT into general waste) – this will help your local authority to arrange to recycle or dispose of them in the appropriate manner.
