Call Thomas and Friends

Roll Call Song

Find a character or a colour

Goodbye!

Non-rechargeable batteries are not to be recharged, as they may explode or leak  
Rechargeable batteries are only to be charged under adult supervision

Rechargeable batteries are to be removed from the toy before being charged

Do not mix different types of batteries (i.e. alkaline and zinc carbon) or new and used batteries  
Batteries must be inserted with the correct polarity

Remove batteries if the toy is not to be used for a long period of time

Remove exhausted batteries as they may leak and cause damage to the toy

Do not short circuit the supply terminals

The packaging must be retained because it contains important information.

Remove all packaging materials before giving this toy to a child.  
Details and colour of parts may vary. Subject to availability.  
Conforms to safety requirements. Batteries: 2 x AAA (included)

UK CA CE  
Made in China.

 The purpose of the crossed-out wheeled bin symbol is to remind us that most electrical product and batteries contain trace elements which could be harmful to our environment and therefore our health. We must all be careful to dispose of them responsibly in a specifically designated way – either using a collection scheme or into the correctly labelled civic amenity (NOT into general waste) – this will help your local authority to arrange to recycle or dispose of them in the appropriate manner.
